**WE NEED YOUR SUPPORT!** Unlike many nearby subdivisions, Settlers Landing does not require homeowners to pay dues to the community association. The neighborhood support our association has always enjoyed is voluntary. Your annual dues pay for the maintenance of entrances and community benefits like the newsletter, yard sale advertising, and neighborhood activities like National Night Out. Please help us achieve stronger participation. Thank you for your dues!

**AND WE NEED YOU!!** Bring your ideas to one of our community meetings, held on the first Thursday of every month. Would you like a block party, an adults-only social, or maybe more kids' activities? Do you have suggestions for neighborhood improvements? This is YOUR association – make it work for you!
